Explanatory Note

This proxy statement supplement (this “Supplement”) dated April 8, 2024, updates certain information in the definitive proxy statement of Unitil Corporation (the “Company”) dated March 29, 2024 (the “Proxy Statement”) relating to the Company’s 2024 Annual Meeting of Shareholders (the “2024 Annual Meeting”). The Proxy Statement was filed with the Securities and Exchange Commission (the “SEC”) on March 29, 2024, and first mailed to shareholders of the Company on or about March 29, 2024. This Supplement should be read together with the Proxy Statement. Except as described herein, this Supplement does not amend, replace, supplement or otherwise affect the Proxy Statement or the information contained therein.

Third Amended and Restated 2003 Stock Plan

On March 18, 2024, the Company’s Board of Directors (the “Board”) approved, subject to shareholder approval at the 2024 Annual Meeting, the amendment and restatement of the Second Amended and Restated 2003 Stock Plan in its entirety (the “March 18 Amendment”) to, among other things, amend Section 4.1 thereof to increase the maximum number of shares of common stock (“Shares”) available for awards to participants under the Second Amended and Restated 2003 Stock Plan by 700,000 Shares, from 677,500 Shares to 1,377,500 Shares in the aggregate.

On March 29, 2024, the Company filed the Proxy Statement, which included the March 18 Amendment.

On April 3, 2024, Institutional Shareholder Services Inc. issued a recommendation (the “ISS Recommendation”) to vote against the March 18 Amendment, which recommendation was based, in part, on the proposed increase of 700,000 Shares.

On April 5, 2024, in response to the ISS Recommendation, the Board revised its prior approval of the March 18 Amendment. As revised, the Board approved, subject to shareholder approval at the 2024 Annual Meeting, the amendment and restatement of the Second Amended and Restated 2003 Stock Plan in its entirety (the “Third Amended and Restated 2003 Stock Plan”) to, among other things, amend Section 4.1 thereof to increase the maximum number of Shares available for awards to participants under the Second Amended and Restated 2003 Stock Plan by 350,000 Shares, from 677,500 Shares to 1,027,500 Shares. Notably, the Board reduced the proposed increase from 700,000 Shares to 350,000 Shares.

Accordingly, the “replacement text” in each row of the following table replaces, in its entirety, the text that appears in the Proxy Statement on the page number and at the location in the Proxy Statement noted to the left of such text. The “marked text” in each row shows the text in the Proxy Statement that was deleted (as stricken text) and the “replacement text” that replaces it (as underlined text).

Proxy Card

The proxy card attached to the Proxy Statement that was filed with the SEC on March 29, 2024 contained a numbering error in which Proposal No. 4 was incorrectly numbered. The proxy card that was first mailed to shareholders of the Company on or about March 29, 2024 did not contain the numbering error.
